Address: No 13, Musbau Alimi Street, Kara, Ogun State, Nigeria.

SUMMARY

Results-driven Software Engineer with expertise in developing efficient and scalable solutions. Strong **communication** skills, both within cross-functional teams and with stakeholders, facilitating effective collaboration and project success. Skilled in **Node.js**, **NestJS**, **JavaScript/TypeScript**, **Linux**, **PostgreSQL**, and **MongoDB**. Proven track record of enhancing service quality, improving application resilience, and driving customer satisfaction. Seeking opportunities to contribute technical expertise and leadership to a dynamic organization.

PROFESSIONAL EXPERIENCE

Software Engineer @ Wavebudget (Jan-2023 - June-2023)

- Collaborated with cross-functional teams to develop an efficient and highly scalable ecommerce and financial technology solution, leveraging a clean architecture.
- Integrated Paystack Developer API, resulting in a 70% improvement in service quality and enhanced payment gateway functionality.
- Implemented Jest and Supertest, reducing app crashes in production by over 75% and enhancing back end resilience.
- Provided valuable input during management discussions, leading to a 40% increase in customer satisfaction.

SKILLS

- Programming Languages: JavaScript/TypeScript
- Database Management: MongoDB, PostgreSQL, Prisma
- Back End Development: Node.js, Express.js, NestJS
- Object-Oriented Programming (OOP) Principles
- RESTful API Design and Development
- Data Structure and Algorithms
- Problem Solving
- Debugging and Troubleshooting
- Test-Driven Development (TDD) and Unit Testing

PROJECTS

1. **X-MEDIA** (NestJS, JavaScript, PostgreSQL, Prisma, Docker-compose)

Developed a feature-rich social media API.

2. **NATOURS** (Node.js/Express, JavaScript, HTML, CSS)

Developed a modern ecommerce web application for registering and booking tours.

3. **MUSIC-API** (Node.js/Express, JavaScript, MongoDB)

Created an API for creating and fetching songs by Category, Albums and Id.

EDUCATION

- B.Eng Electrical & Electronics Engineering, Federal University of Technology Minna, Nigeria
- Software Engineering, CS50 Harvard, EDX
