

MORIZUQ SHONEYE Software Engineer

morizuqshoneye@gmail.com | [GitHub](#) | [LinkedIn](#) | +234 701 361 2018

Address: Ogun State, Nigeria.

SUMMARY

I am a professional mobile software engineer with over 2 years of experience. As a sole developer and part of a team, I've been actively involved in projects spanning from a simple Todo app to an e-commerce solution each with its unique set of challenges and objectives along with a strong focus on creating engaging and user-friendly experiences.

I also have strong interpersonal skills, and worked with large and diverse teams, with core belief in integrity and excellence.

TECHNOLOGIES

Platforms	Native Android Apps
Language	Kotlin, Dart, JavaScript & Typescript
Framework	Flutter, ExpressJs
Architecture	MVP & MVVM all following the clean architecture

PROFESSIONAL EXPERIENCE

Software Engineer @ DevEngine (December-2023 – present)

- As the team lead for mobile, I singlehandedly restructured the codebase for the project, Regimen, ensuring industry best practices.
- Hold frequent sheduled sessions with the team for code reviews .
- Increased the team's efficiency and shortened the development time by more than 40%.

Technologies: Android SDK, Flutter.

Software Engineer @ Eachblock (Jully-2023 – January-2024)

Built, maintained & supported over a dozen individuals to ship in features and meet customer's needs under stipulated deadlines while ensuring quality developer's and user's experience.

Technologies: Android SDK, Flutter.

Software Engineer @ Wavebudget (Jan-2023 - Jully-2023)

EDUCATION

- B.Eng Electrical & Electronics Engineering, Federal University of Technology Minna, Nigeria.
- React Learning Program, Andela, Plurasight.
